

Nombre: _____ Fecha: _____

A direct object is the noun(s) that receives action from the verb.

Complete the following steps for each of the following sentences.

1. Identify the subject and write it next to the sentence with the Label “S”— often the subject is not visibly stated but is implied by the conjugated verb (who does the action)
2. Identify the verb and circle it with the Label “V” (the action)
3. Identify the direct object and double underline it with the Label D.O.(the noun that receives the action from the verb)

Example: Preparo la tarea. S- Yo

- a. What pronoun would replace the direct object? La
- b. Rewrite the sentence with the pronoun. La preparo.
